

DREAM ANIME CHRONICLES

THE HONOR OF FALLING

CAPTAIN LADY JANE
WORE THE ARMOR OF
AN UNDEFEATED LINE.

HER MOTHER TAUGHT
HONOR, COURAGE, AND
DEFENSE OF THE WEAK.

THE ARMOR GAVE JANE
FLIGHT, STRENGTH,
AND A CITY THAT
EXPECTED VICTORY.

JANE HEARD ONE
COMMAND LOUDER
THAN ALL THE REST:
NEVER BE THE FIRST
TO FALL.

THE GRAVITY
GALLOWS DESCENDED
OVER HIGH HARBOR.

EVERY BOAST
MADE ITS CHAINS
HEAVIER.

JANE SMILED LIKE
THE CITY HAD ALREADY
BEEN SAVED.

JANE HIT FIRST.

SHE HIT HARDER.

SHE PROMISED
THE GALLOWS IT
WAS BENEATH HER.

THE SKY ANSWERED
WITH WEIGHT.

FOR THE FIRST TIME,
THE PAVEMENT CAME
UP FASTER THAN HER
PRIDE.

SO JANE CHOSE
SPEED.

FLIGHT HAD NEVER
FAILED THE FAMILY
ARMOR.

SHE TURNED
HERSELF INTO
A SILVER COMET.

THE GALLOWS BENT
EVERY PATH
BACK DOWN.

UNDEFEATED BEGAN
TO SOUND LIKE
TRAPPED.

THE CITY DID
NOT NEED A
PERFECT LEGEND.

IT NEEDED SOMEONE
BETWEEN DANGER
AND THE STREET.

JANE REMEMBERED
HER MOTHER'S LESSON.

HONOR WAS NOT
NEVER FALLING.
HONOR WAS CHOOSING
WHERE TO FALL.

JANE STOPPED
PERFORMING VICTORY.

SHE STUDIED
THE PULL.

THE HARBOR ANCHOR
COULD GROUND THE
GALLOWS.

BUT ONLY IF SOMEONE
CARRIED THE WEIGHT
THERE.

JANE FLEW
STRAIGHT INTO
THE FALL.

THE IMPACT BROKE
THE GALLOWES OPEN.

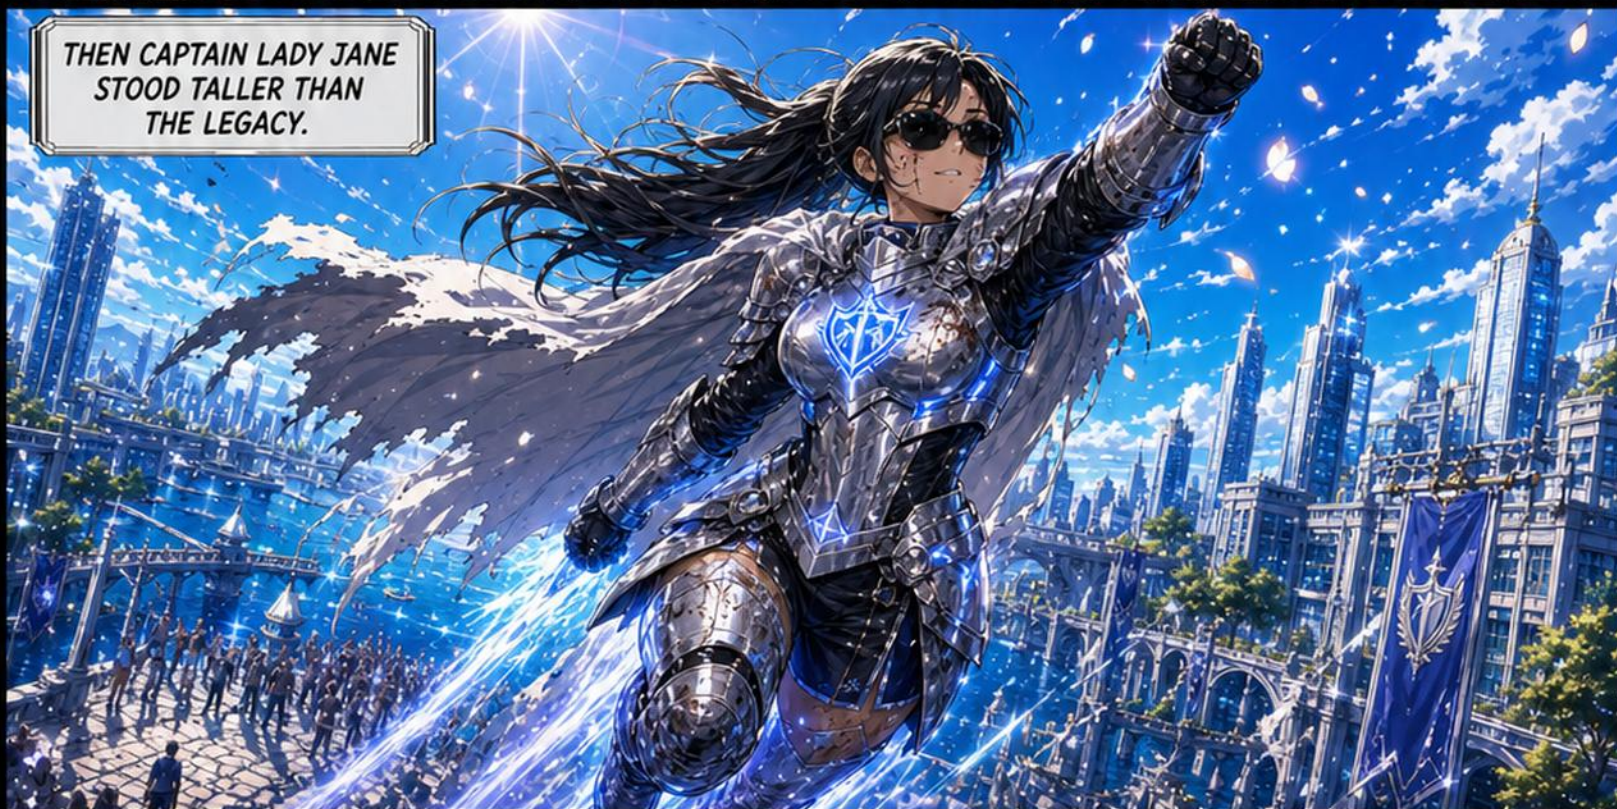

THE ARMOR HELD
BECAUSE JANE HELD
FOR EVERYONE ELSE.

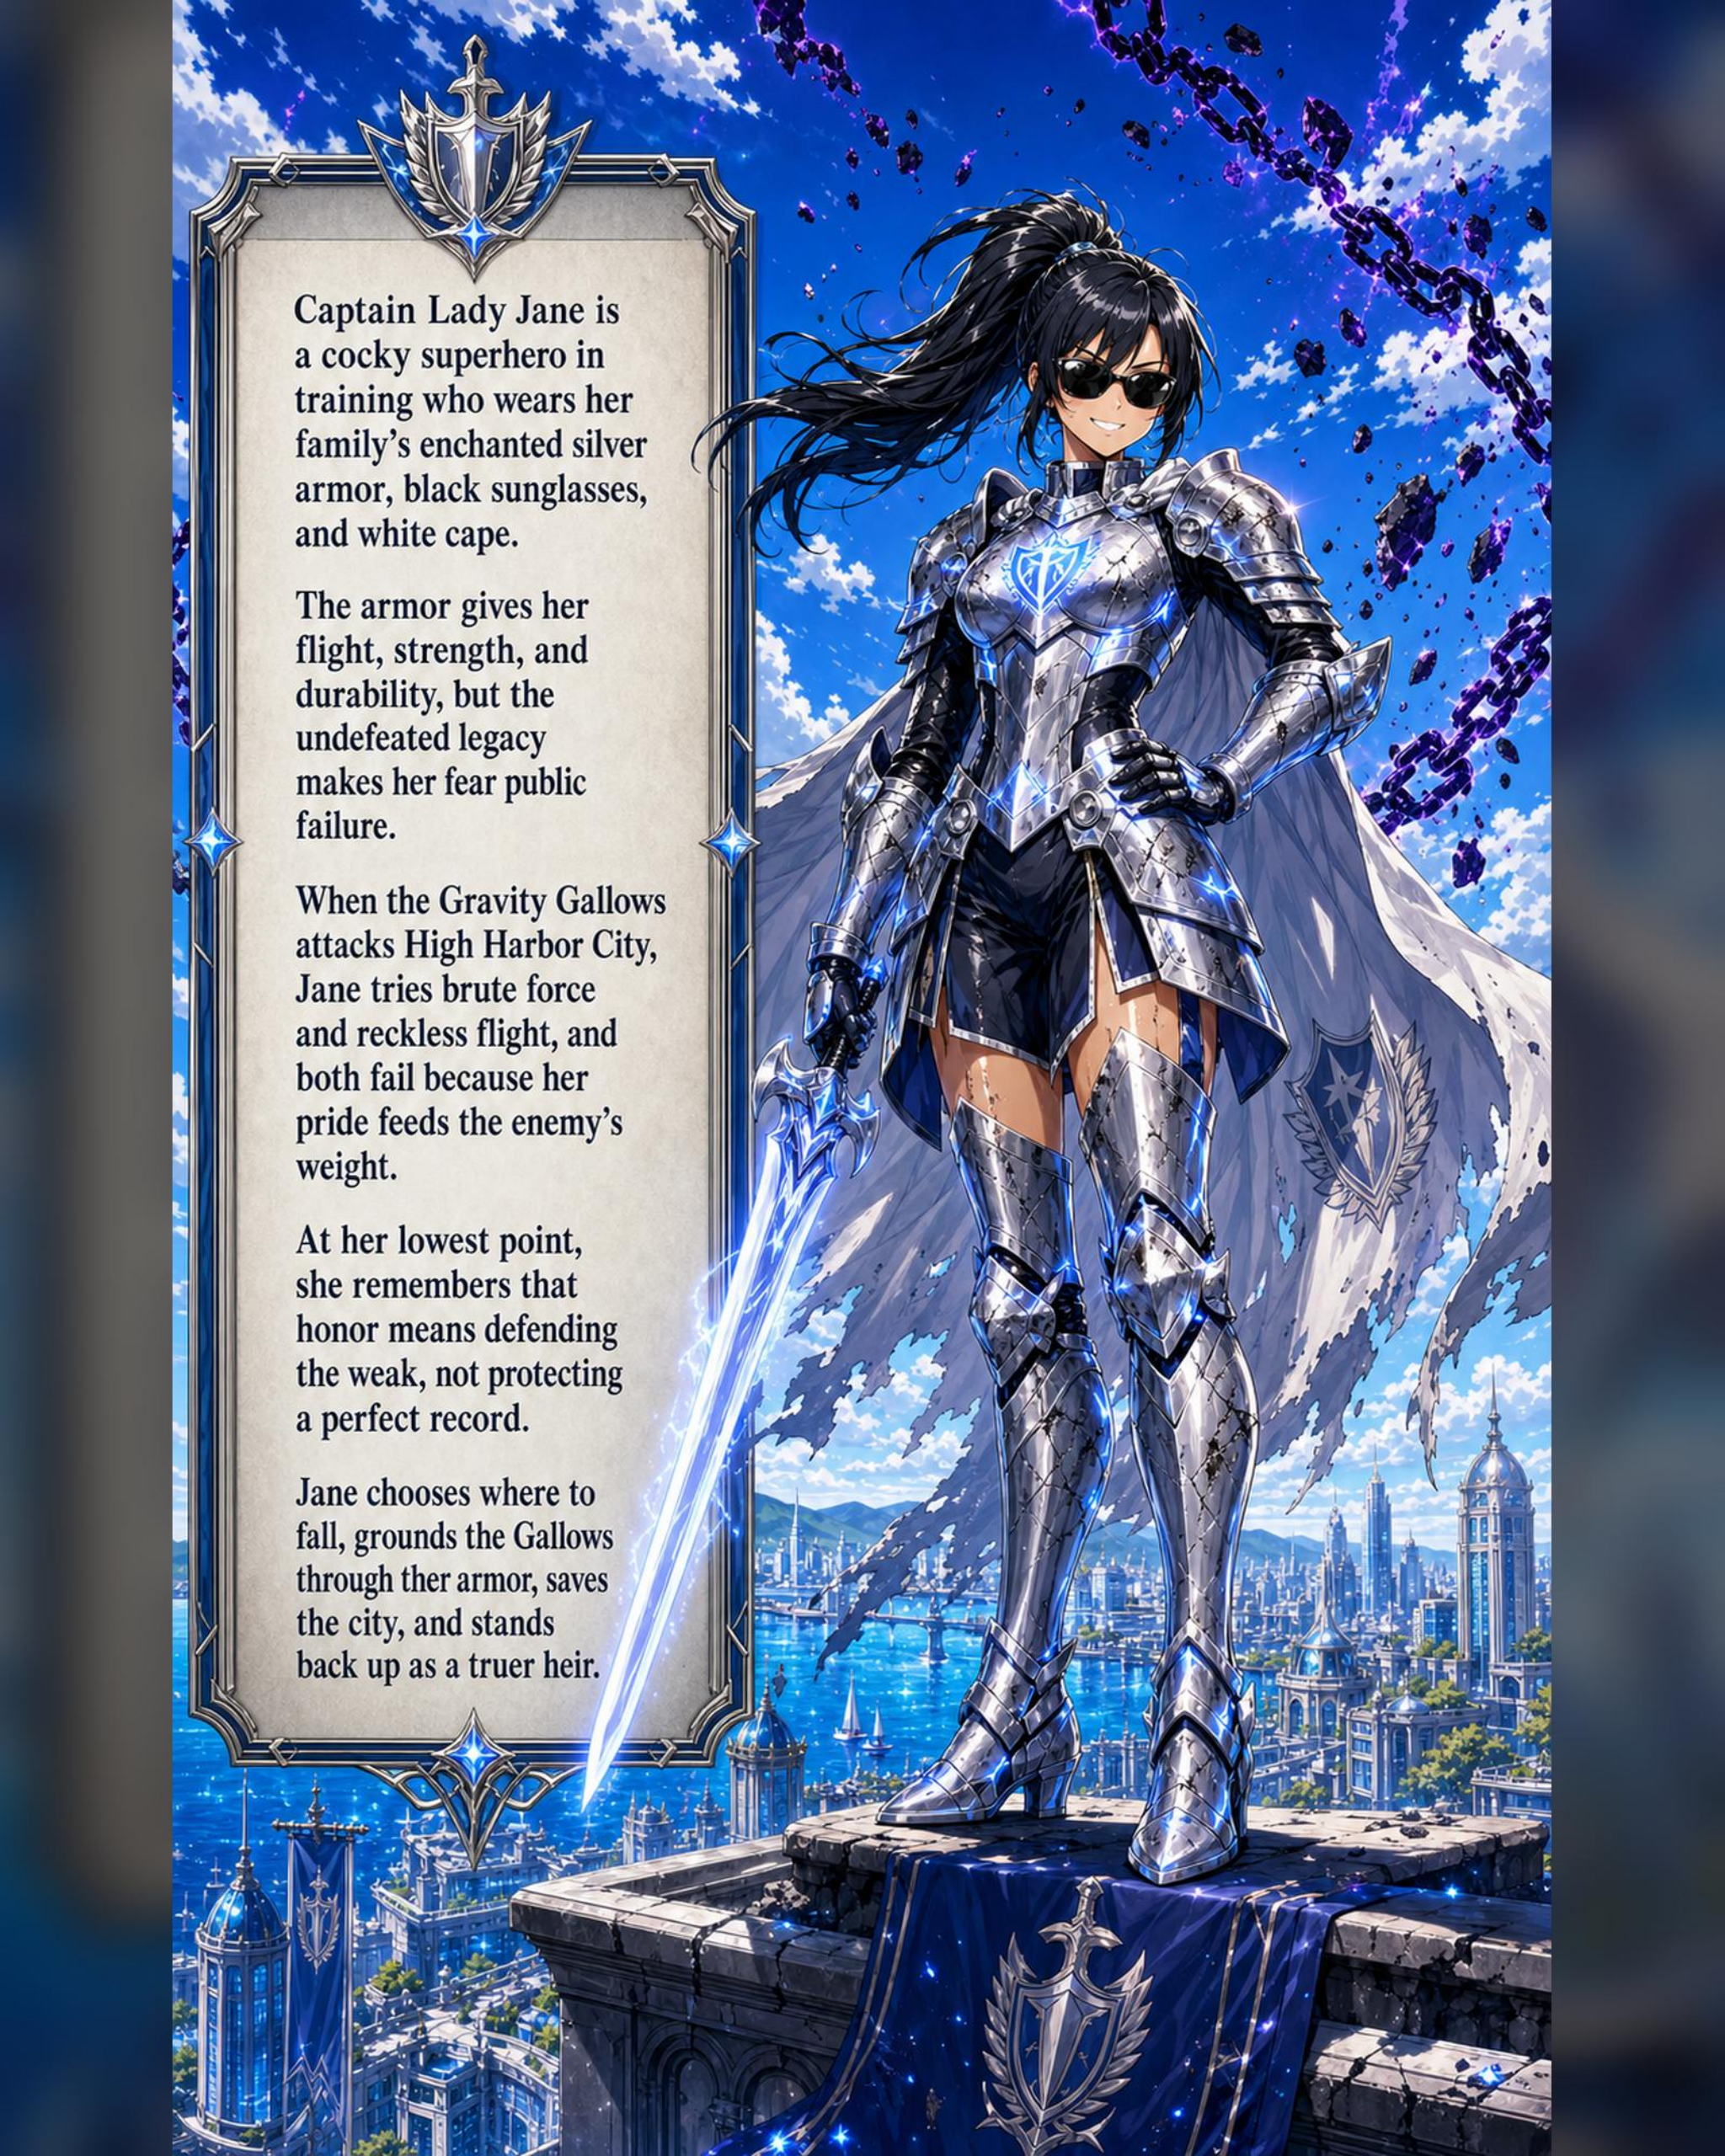

SHE HAD FALLEN.

THEN CAPTAIN LADY JANE
STOOD TALLER THAN
THE LEGACY.

Captain Lady Jane is a cocky superhero in training who wears her family's enchanted silver armor, black sunglasses, and white cape.

The armor gives her flight, strength, and durability, but the undefeated legacy makes her fear public failure.

When the Gravity Gallows attacks High Harbor City, Jane tries brute force and reckless flight, and both fail because her pride feeds the enemy's weight.

At her lowest point, she remembers that honor means defending the weak, not protecting a perfect record.

Jane chooses where to fall, grounds the Gallows through her armor, saves the city, and stands back up as a truer heir.
